RECOGNIZING SHAWN GRAYBILL

HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 9, 2007

Mr. GRAVES. Madam Speaker, I proudly pause to recognize Shawn Graybill, a very dedicated and enthusiastic member of my Congressional staff. My office and I greatly value Shawn's hard work and commitment. Constituents have grown to recognize his attention to detail, knowledge of many issues and personal touch. His dedication to the Sixth District of Missouri has shown through over the years, which is evident by the appreciation of all with whom he works.

A native of Tarkio, Shawn began his career within my office as an intern in June of 2002 while completing his undergraduate degree from Park University. He has served admirably whether it was working on constituent case-work or as a field representative for Clay County.

Shawn also worked on my re-election campaign as my campaign manager. As anyone in politics knows, these types of jobs involve long hours and time away from your family. I appreciate his wife, Laura, for sharing her husband with me over the last 5 years.

Shawn will be leaving my office to serve as an Assistant Director for the American Truck Historical Society. In addition, Shawn and Laura are about to become first-time parents. It is my understanding that their daughter will share the name of my favorite President, Ronald Reagan.

Madam Speaker, I proudly ask you to join me in congratulating Shawn Graybill for his many important contributions to myself, my staff, all those he has worked with and for all those he has served. It is truly an honor to

represent Shawn in the United States Congress.

RECOGNIZES THE 75TH ANNIVERSARY OF THE DEPARTMENT OF AGRICULTURE'S AGRICULTURAL RESEARCH SERVICE AND SUBTROPICAL AGRICULTURAL RESEARCH STATION'S PRESENCE IN THE STATE OF FLORIDA

HON. GINNY BROWN-WAITE

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 9, 2007

Ms. GINNY BROWN-WAITE of Florida. Madam Speaker, I rise today to recognize the United States Department of Agriculture's Agricultural Research Service and Subtropical Agricultural Research Station (STARS) in Brooksville, FL. for the past seventy-five years, STARS has worked in cooperation with the University of Florida to improve animal production. Their hard work to develop superior animal production systems for the subtropical regions of the United States has established them as leaders in beef cattle and water quality research.

STARS began in 1932 with nearly 2,100 acres as a gift to the Federal Government by Colonel and Mrs. Raymond Robins. The STARS program would eventually grow to its current size of 3,800 acres and produce significant research for the categorization and conservation of tropically adapted beef cattle. Their current projects include environmentally focused analysis that will help determine the impact of the cattle on the waters of Florida and their sustainability.

Given its status as the only station located in the South, the STARS program remains a unique and significant research facility. This is extremely significant because of the fact that nearly 40 percent of the entire Nation's cattle herd is located in the southern United States. STARS also serves as a satellite repository to the National Animal Germplasm Program for tropically adapted beef cattle.

Madam Speaker, I applaud all the men and women who have contributed to the success of the STARS program over the past seventy-five years. These individuals exemplify how working tirelessly on animal production and water quality research can greatly enhance the quality of life for America. This program continues to enhance scientific knowledge of beef cattle, and I commend those involved for their efforts to produce research at the forefront of American agriculture.

IN RECOGNITION OF THE NATIONAL SMALL BUSINESS ASSOCIATION'S 70TH ANNIVERSARY

HON. NYDIA M. VELÁZQUEZ

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 9, 2007

Ms. VELÁZQUEZ. Madam Speaker, I rise today on the floor of the House of Representatives to honor the National Small Business Association (NSBA) as it celebrates its 70th anniversary. This first-rate organization currently reaches more than 150,000 small-business

owners nationwide—a number that has well surpassed the original group of 160 members. It is with great pleasure that I recognize the commendable service NSBA has provided to this Nation's entrepreneurs over the past 70 years.

As Chair of the Small Business Committee, I am well aware of the unique plight facing this Nation's entrepreneurs. As the oldest small business advocacy group in the United States, NSBA has a strong history of promoting small business growth and educating its members on the impact of Federal policies. The unwavering dedication that this group has shown to fostering the advancement and growth of entrepreneurs is deserving of recognition.

From carpenters to grocers and designers, NSBA represents a broad range of citizens who believe in the free enterprise system. Since joining the Small Business Committee well over a decade ago, this organization has frequently been out front, leading the charge on a number of issues that are of the utmost importance to this Nation's 26 million small businesses. Whether it was advocating for increased access to capital or the Federal marketplace—NSBA has always acted as a steadfast advocate for our entrepreneurs.

Thanks to the leadership of the NSBA—its founder, the late DeWitt M. Emery, Board Members, Executive Director, staff, and supporters—its members are given the opportunity to gather every two years during the "Small Business Congress" to learn about the latest happenings impacting their businesses and vote upon their top ten. NSBA subsequently publishes its priority issues booklet listing the results and advocating on the members' behalf. NSBA's contributions that bring to light the everyday matters that are of concern to the main drivers of this economy—small business—are truly commendable.

Madam Speaker, I would like to express my sincerest congratulations to the National Small Business Association in commemoration of its 70th anniversary and express best wishes for a successful future.

The Kesslers will be honored on May 31, 2007 as the recipients of the 2007 Circle of Care award from the Riverbend Head Start and Family Services in Alton, Illinois.

Bill Kessler retired last year after 33 years at St. Anthony's Heath Center in Alton, Illinois where he had served as the first lay administrator and longtime CEO of this institution founded by the Sisters of St. Francis of the Martyr St. George. They have both been willing, despite the significant demands of their work and family lives, to give back to their community and make meaningful contributions to the quality of life for those in the Alton area.

The Kesslers met while Pat was a student nurse and Bill was a college student working as an orderly in St. Louis. They were married in 1968 and spent their first years together overseas, with Bill serving in the U.S. Army after receiving his Masters Degree from St. Louis University. They came back to the St.
